Profile

Passionate and driven Web Developer seeking to contribute thoughtful and innovative solutions. Able to effectively self-manage during independent projects, as well as collaborate as part of a productive team.

Employment History

Courier, Doordash, San Francisco, CA

April 2019 — September 2020

- Remained committed to the highest level of customer service possible, earning a 4.98/5 customer satisfaction rating over more than 1,600 deliveries.
- Ensured orders were accurate and delivered on-time or ahead of schedule.

Team Lead/Warehouse Manager, Vital Restoration, South San Francisco, CA

September 2018 — April 2019

- Lead a team tasked with cataloging and maintaining record of client's belongings pertaining to both removal from affected area as well as storage in on-site warehouse.
- Initial setup and long-term maintenance of equipment used to mitigate and monitor water or fire damage.

Assistant Store Manager, Starbucks, Pacifica, CA

December 2009 — August 2018

- Write schedule and maintain payroll fidelity.
- Oversaw 8% average yearly growth by managing overall payroll and sharing enthusiasm for new products and exciting company promotions to grow our customer base.
- Lead team through proper delegation and understanding of individual partner's strengths.
- Consistently stabilized inventory through proper ordering and adaptation to constantly shifting demand.

Education

Web Developer Certificate, Bootcamp at University of California, Berkeley Extension, Berkeley, CA

October 2020 — May 2021

Intensive and rigorous curriculum covering a wide range of technologies and languages pertinent to full-stack web development, with a particular focus on MERN Stack and JavaScript. Students develop all the skills necessary to create dynamic and responsive web applications and an understanding of the theory and practical application of web development. Multiple projects are built weekly from scratch both as individuals and in small teams, many of which are then presented to the class.
